

An Ordinance

Providing that the Borough of Alburdis grade, pave, make and repair sidewalks and construct and repair curbs, gutters, and drains at the edge of sidewalks upon the refusal of property owners so to do; how costs to be secured by the Borough, duty of property owners to receive from the Borough authorities breadth, elevation and declination of intended pavement, curb, gutter and drain.

Section I. Be it enacted and it is hereby ordained by the Council of the Borough of Alburdis on this 7th day of June, A. D. 1920, that upon the refusal of any property owner within the limits of the Borough of Alburdis to grade, pave, make and repair sidewalks and construct and repair curbs, gutters and drains at the edge of sidewalks, by the owners of property fronting thereon, the work shall be done by the said Borough in accordance with the several ordinances relating to that subject, the Borough then collect the cost thereof, with ten per cent, additional together with all charges and expenses from such owner or owners, and file a municipal claim therefore or collect the same by action in assumpsit, in accordance with the Act of General Assembly in such cases made and provided.

Section II. Be it further enacted and ordained that prior to the construction of any pavement, curb, gutter and drain in the streets of said Borough by any property owners it shall be incumbent upon such property owners to ascertain from the Borough authorities the breadth, elevation,

and declination of such intended pavement, curb, gutter
and drain.

A. F. Nuss, President

Attest: H. B. Schmoyer, Secretary.

Approved this 7th day of June A. D. 1920.

Robt. McKeever, Burgess
