- D. If for any reason the tax is not paid when due, interest at the rate in effect at the time the tax is due shall be added and collected.

§ 117-30. Exempt parties.

The United States, the commonwealth or any of their instrumentalities, agencies or political subdivisions shall be exempt from payment of the tax imposed by this Article. The exemption of such governmental bodies shall not, however, relieve any other party to a transaction from liability for the tax.

§ 117-31. Excluded transactions.

A. The tax imposed by § 117-29 shall not be imposed upon:

- (1) A transfer to the commonwealth or to any of its instrumentalities, agencies or political subdivisions by gift, dedication or deed in lieu of condemnation or deed of confirmation in connection with condemnation proceedings or a reconveyance by the condemning body of the property condemned to the owner of record at the time of condemnation, which reconveyance may include property fine adjustments, provided that said reconveyance is made within one (1) year from the date of condemnation.
- (2) A document which the Borough of Alburdis is prohibited from taxing under the Constitution or statutes of the United States.
- (3) A conveyance to a municipality, township, school district or county pursuant to acquisition by the municipality, township, school district or county of a tax-delinquent property at a Sheriff's sale or Tax Claim Bureau sale.
- (4) A transfer for no or nominal actual consideration which corrects or confirms a transfer previously recorded but which does not extend or limit existing recorded legal title or interest.
- (5) A transfer or division in kind for no or nominal actual consideration of property passed by testate or intestate succession and held by cotenants; however, if any of the parties take shares greater in value than their undivided interest, tax is due on the excess.

- (6) A transfer between husband and wife, between persons who were previously husband and wife who have since been divorced, provided that the property or interest therein subject to such transfer was acquired by the husband and wife or husband or wife prior to the granting of the final decree in divorce, between parent and child or the spouse of such child, between brother or sister or spouse of a brother or sister and brother or sister or spouse of a brother or sister and between a grandparent and grandchild or the spouse of such grandchild, except that a subsequent transfer by the grantee within one (1) year shall be subject to tax as if the grantor were making such transfer.
- (7) A transfer for no or nominal actual consideration of property passing by testate or intestate succession from a personal representative of a decedent to the decedent's devisee or heir.
- (8) A transfer for no or nominal actual consideration to a trustee of an ordinary trust where the transfer of the same property would be exempt if the transfer was made directly from the grantor to all of the possible beneficiaries, whether or not such beneficiaries are contingent or specifically named. No such exemption shall be granted unless the Recorder of Deeds is presented with a copy of the trust instrument that clearly identifies the grantor and all possible beneficiaries.
- (9) A transfer for no or nominal actual consideration from a trustee to a beneficiary of an ordinary trust.
- (10) A transfer for no or nominal actual consideration from trustee to successor trustee.
- (11) A transfer for no or nominal actual consideration between principal and agent or straw party or from or to an agent or straw party where, if the agent or straw party were his principal, no tax would be imposed under this Article. Where the document by which title is acquired by a grantee or statement of value fails to set

forth that the property was acquired by the grantee from or for the benefit of his principal, there is a rebuttable presumption that the property is the property of the grantee in his individual capacity if the grantee claims an exemption from taxation under this subsection.

- (12) A transfer made pursuant to the statutory merger or consolidation of a corporation or statutory division of a nonprofit corporation, except where the department reasonably determines that the primary intent for such merger, consolidation or division is avoidance of the tax imposed by this Article.
- (13) A transfer from a corporation or association of real estate held of record in the name of the corporation or association where the grantee owns stock of the corporation or an interest in the association in the same proportion as his interest in or ownership of the real estate being conveyed and where the stock of the corporation or the interest in the association has been held by the grantee for more than two (2) years.
- (14) A transfer from a nonprofit industrial development agency or authority to a grantee of property conveyed by the grantee to that agency or authority as security for a debt of the grantee or a transfer to a nonprofit industrial development agency or authority.
- (15) A transfer from a nonprofit industrial development agency or authority to a grantee purchasing directly from it, but only if the grantee shall directly use such real estate for the primary purpose of manufacturing, fabricating, compounding, processing, publishing, research and development, transportation, energy conversion, energy production, pollution control, warehousing or agriculture and the agency or authority has the full ownership interest in the real estate transferred.
- (16) A transfer by a mortgagor to the holder of a bona fide mortgage in default in lieu of a foreclosure or a transfer pursuant to a judicial sale in which the successful bidder is the bona fide holder of a mortgage, unless the holder assigns the bid to another person.

- (17) A transfer between religious organizations or other bodies or persons holding title for a religious organization if such real estate is not being or has not been used by such transferor for commercial purposes.
 - (18) A transfer to a conservancy which possesses a tax-exempt status pursuant to Section 501(c)(3) of the Internal Revenue Code of 1954 [68A Stat. 3, 26 U.S.C. § 501(c)(3)] and which has as its primary purpose preservation of land for historic, recreational, scenic, agricultural or open space opportunities.
 - (19) A transfer of real estate devoted to the business of agriculture to a family farm corporation by a member of the same family which directly owns at least seventy-five percent (75%) of each class of the stock thereof.
 - (20) A transfer between members of the same family of an ownership interest in a real estate company or family farm corporation.
 - (21) A transaction wherein the tax due is one dollar (\$1.) or less.
 - (22) Leases for the production or extraction of coal, oil, natural gas or minerals and assignments thereof.

shareholders or stockholders thereof are fully taxable. For the purposes of this Article, corporations and associations are entities separate from their members, partners, stockholders or shareholders.

§ 117-33. Acquired companies.

- A. A real estate company is an acquired company upon a change in the ownership interest in the company, however effected, if the change does not affect the continuity of the company and, of itself or together with prior changes, has the effect of transferring, directly or indirectly, ninety percent (90%) or more of the total ownership interest in the company within a period of three (3) years.
- B. With respect to real estate acquired after February 16, 1986, a family farm corporation is an acquired company when, because of voluntary or involuntary dissolution, it ceases to be a family farm corporation or when, because of issuance or transfer of stock or because of acquisition or transfer of assets that are devoted to the business of agriculture, it fails to meet the minimum requirements of a family farm corporation under this Article.
- C. Within thirty (30) days after becoming an acquired company, the company shall present a declaration of acquisition with the Recorder of each county in which it holds real estate for the affixation of documentary stamps and recording. § 117-34. Credits against tax.

- A. Where there is a transfer of a residential property by a licensed real estate broker, which property was transferred to him within the preceding year as consideration for the purchase of other residential property, a credit for the amount of the tax paid at the time of the transfer to him shall be given to him toward the amount of the tax due upon the transfer.

- B. Where there is a transfer by a builder of residential property which was transferred to the builder within the preceding year as consideration for the purchase of new, previously unoccupied residential property, a credit for the amount of the tax paid at the time of the transfer to the builder shall be given to the builder toward the amount of the tax due upon the transfer.
- C. Where there is a transfer of real estate which is leased by the grantor, a credit for the amount of tax paid at the time of the lease shall be given the grantor toward the tax due upon the transfer.
- D. Where there is a conveyance by deed of real estate which was previously sold under a land contract by the grantor, a credit for the amount of tax paid at the time of the sale shall be given the grantor toward the tax due upon the deed.
- E. If the tax due upon the transfer is greater than the credit given under this section, the difference shall be paid. If the credit allowed is greater than the amount or tax due, no refund or carry-over credit shall be allowed.

§ 117-35. Extension of lease.

In determining the term of a lease, it shall be presumed that a right or option to renew or extend a lease will be exercised if the rental charge to the lessee is fixed or if a method for calculating the rental charge is established.

§ 117-36. Proceeds of judicial sale.

The tax herein imposed shall be fully paid and have priority out of the proceeds or any judicial sale of real estate before any other obligation, claim, lien, judgment, estate or costs of the sale and of the writ upon which the sale is made, except the state realty transfer tax, and the Sheriff or other officer conducting said sale shall pay the tax herein imposed out of the first moneys paid to him in connection therewith. - B. In order to ascertain the amount of taxes due when the property is located in more than one (1) political subdivision, the Recorder shall not accept for recording such a deed unless it is accompanied by a statement of value showing what taxes are due each municipality.
- C. On or before the 10th of each month, the Recorder shall pay over to the Borough of Alburdis all local realty transfer taxes collected, less two percent (2%) for use of the county, together with a report containing the information as is required by the Commonwealth of Pennsylvania in reporting collections of the Pennsylvania realty transfer tax. The two-percent commission shall be paid to the county.
- D. Upon a redetermination of the amount of realty transfer tax due by the Commonwealth of Pennsylvania, the Recorder shall rerecord the deed or record the additional realty transfer tax form only when both the state and local amounts and a rerecording or recording fee have been tendered.

§ 117-37.1. Statement of value.

Every document lodged with or presented to the Recorder of Deeds for recording shall set forth therein and as a part of such document the true, full and complete value thereof or shall be accompanied by a statement of value executed by a responsible person connected with the transaction showing such connection and setting forth the true, full and complete value thereof or the reason, if any, why such document is not subject to tax under this Article. A copy of the Pennsylvania realty transfer tax statement of value may be

submitted for this purpose. The provisions of this subsection shall not apply to any excludable real estate transfers which are exempt from taxation based on family relationship. Other documents presented for the affixation of stamps shall be accompanied by a certified copy of the document and statement of value executed by a responsible person connected with the transaction showing such connection and setting forth the true, full and complete value thereof or the reason, if any, why such document is not subject to tax under this Article.
