Article II — Imposition of Tax

§ 80-201 In General.

The tax levied under this Chapter shall be applicable to earned income received and to net profits earned in the period beginning January 1, of the current year, and ending December 31, of the current year or for taxpayer fiscal years beginning in the current year, except that taxes imposed for the first time shall become effective from the date specified in the ordinance or resolution, and the tax shall continue in force on a calendar year or taxpayer fiscal year basis, without annual reenactment, unless the rate of the tax is subsequently changed. Changes in rate shall become effective on the date specified in the ordinance.

§ 80-202 Tax Imposed.

A tax for general revenue purposes of one percent (1.00%) is hereby imposed on the following:

(a) Earned Income, as defined by this Chapter, received by residents of the Borough on or after January 1, 2012;

(b) Earned income, as defined by this Chapter, received by non-residents of the Borough for work done or services performed or rendered in the Borough on or after January 1, 2012;

(c) Net profits, as defined by this Chapter, earned on or after January 1, 2012, of businesses, professions, and other activities conducted by residents in the Borough; and

(d) Net profits, as defined by this Chapter, earned on or after January 1, 2012, of businesses, professions, and other activities conducted by non-residents in the Borough.

§ 80-203 Items Taxed.

The tax levied under § 80-202(a) and (b) shall relate to and be imposed upon salaries, wages, commissions, and other compensation paid by an employer or on its behalf to any person who is employed by or renders services to it. The tax levied under § 80-202(c) and (d) shall relate to and be imposed on the net profits of any business, profession, or enterprise carried on by any person as owner or as proprietor, either individually or in association with some other person or persons.

§ 80-204 Tax Also Imposed by East Penn School District.

It is the intent of this Chapter that the entire burden of the tax imposed herein on a person shall not exceed the limitations prescribed in the LTEA, so that if the East Penn School District shall impose or hereafter shall impose an earned income and net profits tax on the same person such that the total of the Borough and school district taxes shall exceed the limitations prescribed in the LTEA, then the tax levied by the Borough under the authority of the LTEA shall, during the time such duplication of the tax exists, be one-half (1/2) of the maximum rate permitted by law, and such one-half (1/2) rate shall become effective without any action on the part of the Borough; *provided*, however, that the Borough and the East Penn School District may agree that, instead of limiting their respective rates to one-half (1/2) of the maximum rate permitted by law, they will impose respectively different rates, the total of which shall not exceed the maximum rate permitted under the LTEA.

Article III — Declaration and Payment of Tax

§ 80-301 Application.

Income taxes shall be applicable to taxable income earned or received based on the method of accounting used by the taxpayer in the period beginning January 1 of the current year and ending December 31 of the current year, except that taxes imposed for the first time and changes to existing tax rates shall become effective on January 1 or July 1, as specified in the ordinance, and the tax shall continue in force on a calendar year or taxpayer fiscal year basis, without annual reenactment, unless the rate of the tax is subsequently changed.

§ 80-302 Fiscal Year Taxpayers.

For a taxpayer whose fiscal year is not a calendar year, the tax officer shall establish deadlines for filing, reporting and payment of taxes which provide time periods equivalent to those provided for a calendar year taxpayer.

§ 80-303 Partial Domicile.

The taxable income subject to tax of a taxpayer who is domiciled in the Borough for only a portion of the tax year shall be an amount equal to the taxpayer's taxable income multiplied by a fraction, the numerator of which is the number of calendar months during the tax year that the individual is domiciled in the Borough and the denominator of which is 12. A taxpayer shall include in the numerator any calendar month during which the taxpayer is domiciled for more than half the calendar month. A day that a taxpayer's domicile changes shall be included as a day the individual is in the new domicile and not the old domicile. If the number of days in the

calendar month in which the individual lived in the old and new domiciles are equal, the calendar month shall be included in calculating the number of months in the new domicile.

§ 80-304 Declaration and Payment.

Except as provided in § 80-302 (relating to Fiscal Year Taxpayers), taxpayers shall declare and pay income taxes as follows:

(a) Final Return. Every taxpayer shall, on or before April 15 of the succeeding year, make and file with the resident tax officer, a final return showing the amount of taxable income received during the period beginning January 1 of the current year and ending December 31 of the current year, the total amount of tax due on the taxable income, the amount of tax paid, the amount of tax that has been withheld under section 512 of the LTEA, 53 PA. STAT. ANN. § 6924.512, and the balance of tax due. All amounts reported shall be rounded to the nearest whole dollar. At the time of filing the final return, the taxpayer shall pay the resident tax officer the balance of the tax due or shall make demand for refund or credit in the case of overpayment.

(b) Declaration of Estimated Net Profits; Quarterly Payments. Every taxpayer making net profits shall, by April 15 of the current year, make and file with the resident tax officer a declaration of the taxpayer's estimated net profits during the period beginning January 1 and ending December 31 of the current year, and shall pay to the resident tax officer in four equal quarterly installments the tax due on the estimated net profits. The first installment shall be paid at the time of filing the declaration, and the other installments shall be paid on or before June 15 of the current year, September 15 of the current year and January 15 of the succeeding year, respectively.

(c) Net Profits: Declaration and Payment After April 15. Any taxpayer who first anticipates any net profit after April 15 of the current year shall make and file the declaration required on or before June 15 of the current year, September 15 of the current year, or December 31 of the current year, whichever date next follows the date on which the taxpayer first anticipates such net profit, and shall pay to the resident tax officer in equal installments the tax due on or before the quarterly payment dates that remain after the filing of the declaration.

(d) Net Profits: Final Return. Every taxpayer shall, on or before April 15 of the succeeding year, make and file with the resident tax officer a final return showing the amount of net profits earned or received based on the method of accounting used by the taxpayer during the period beginning January 1 of the current year, and ending December 31 of the current year, the total amount of tax due on the net profits and the total amount of tax paid. At the time of filing the final return, the taxpayer shall pay to the resident tax officer the balance of tax due or shall make demand for refund or credit in the case of overpayment. Any taxpayer may, in lieu of paying the fourth quarterly installment of the estimated tax, elect to make and file with the resident tax officer on or before January 31 of the succeeding year, the final return.

(e) Net Profits: Adjusted Declarations. The Department, in consultation with the Department of Revenue, shall provide by regulation for the filing of adjusted declarations of estimated net profits and for the payments of the estimated tax in cases where a taxpayer who has filed the declaration required under this subsection anticipates additional net profits not previously declared or has overestimated anticipated net profits.

(f) **Discontinuance of Business.** Every taxpayer who discontinues business prior to December 31 of the current year, shall, within 30 days after the discontinuance of business, file a final return as required under this paragraph and pay the tax due.

(g) **Declaration and Payment of Quarterly Tax on Other Income Not Subject to Withholding.** Every taxpayer who receives any other taxable income not subject to withholding under section 512(3) of the LTEA, 53 PA. STAT. ANN. § 6924.512(3) shall make and file with the resident tax officer a quarterly return on or before April 15 of the current year, June 15 of the current year, September 15 of the current year, and January 15 of the succeeding year, setting forth the aggregate amount of taxable income not subject to withholding by the taxpayer during the three month periods ending March 31 of the current year, June 30 of the current year, September 30 of the current year, and December 31 of the current year, respectively, and subject to income tax, together with such other information as the department may require. Every taxpayer filing a return shall, at the time of filing the return, pay to the resident tax officer the amount of income tax due. The department shall establish criteria under which the tax officer may waive the quarterly return and payment of the income tax and permit a taxpayer to file the receipt of taxable income on the taxpayer's annual return and pay the income tax due on or before April 15 of the succeeding year.

Article IV — Withholding and Remittance

§ 80-401 In General.

For taxable years commencing on and after January 1, 2012, or earlier taxable years if specified by a tax collection district, income taxes shall be withheld, remitted and reported as set forth in the remaining sections of this Article IV.

§ 80-402 Registration by Employers.

Every employer having an office, factory, workshop, branch, warehouse, or other place of business within the Tax Collection District which employs one or more persons, other than domestic servants, for a salary, wage, commission or other compensation, who has not previously registered, shall, within fifteen days after becoming an employer, register with the tax officer the name and address of the employer and such other information as the officer may require.

§ 80-403 Employee Certificate of Residency.

An employer shall require each new employee to complete a certificate of residency form, which shall be an addendum to the Federal Employee's Withholding Allowance Certificate (Form W-4). An employer shall also require any employee who changes his/her address or

domicile to complete a certificate of residency form. Upon request, certificate of residency forms shall be provided by the department. The certificate of residency form shall provide information to help identify the political subdivision where an employee lives and works.

§ 80-404 Employer Withholding from Employee Compensation.

Every employer having an office, factory, workshop, branch, warehouse or other place of business within a tax collection district that employs one or more persons, other than domestic servants, for a salary, wage, commission or other compensation, shall, at the time of payment, deduct from the compensation due each employee employed at such place of business the greater of the employee's resident tax or the employee's nonresident tax as released in the official register under section 511 of the LTEA, 53 PA. STAT. ANN. § 6924.511.

§ 80-405 Employer Quarterly Returns: In General.

Except as set forth in § 80-406, within 30 days following the end of each calendar quarter, every employer shall file a quarterly return and pay the amount of income taxes deducted during the preceding calendar quarter to the tax officer for the place of employment of each employee. The form shall show the name, address, and Social Security number of each employee, the compensation of the employee during the preceding three-month period, the income tax deducted from the employee, the political subdivision imposing the income tax upon the employee, the total compensation of all employees during the preceding calendar quarter, the total income tax deducted from the employees and paid with the return, and any other information prescribed by the department.

§ 80-406 Employers With Multiple Places of Employment.

Notwithstanding § 80-405, the provisions of this section shall apply if an employer has more than one place of employment in more than one tax collection district. Within 30 days following the last day of each month, the employer may file the return required by § 80-405 and pay the total amount of income taxes deducted from employees in all work locations during the preceding month to the tax officer for either the tax collection district in which the employer's payroll operations are located or as determined by the department. The return and income taxes deducted shall be filed and paid electronically. The employer must file a notice of intention to file combined returns and make combined payments with the tax officer for each place of employment at least one month before filing its first combined return or making its first combined payment. This paragraph shall not be construed to change the location of an employee's place of employment for purposes of nonresident tax liability.

§ 80-407 Monthly Returns and Payments.

Any employer who, for two of the preceding four quarterly periods, has failed to deduct the proper income tax, or any part of the income tax, or has failed to pay over the proper amount

of income tax as required by §§ 80-404, 80-405, and/or 80-406 to the tax collection district, may be required by the tax officer to file returns and pay the income tax monthly. In such cases, payments of income tax shall be made to the tax officer on or before the last day of the month succeeding the month for which the income tax was withheld.

§ 80-408 Final Returns.

On or before February 28 of the succeeding year, every employer shall file with the tax officer where income taxes have been deducted and remitted pursuant to §§ 80-404, 80-405, and/or 80-406:

(a) An annual return showing, for the period beginning January 1 of the current year and ending December 31 of the current year, the total amount of compensation paid, the total amount of income tax deducted, the total amount of income tax paid to the tax officer and any other information prescribed by the department.

(b) An individual withholding statement, which may be integrated with the Federal Wage and Tax Statement (Form W-2), for each employee employed during all or any part of the period beginning January 1 of the current year and ending December 31 of the current year, setting forth the address and Social Security number, the amount of compensation paid to the employee during the period, the amount of income tax deducted, the amount of income tax paid to the tax officer, the numerical code prescribed by the department representing the tax collection district where the payments required by §§ 80-405 and 80-406 were remitted, and any other information required by the department. Every employer shall furnish one copy of the individual withholding statement to the employee for whom it is filed.

§ 80-409 Discontinuance of Business.

Any employer who discontinues business prior to December 31 of the current year shall, within 30 days after the discontinuance of business, file returns and withholding statements required under this section and pay the income tax due.

§ 80-410 Employer Liability for Failure to Withhold.

Except as otherwise provided in section 511 of the LTEA, 53 PA. STAT. ANN. § 6924.511, an employer who willfully or negligently fails or omits to make the deductions required by this Article IV shall be liable for payment of income taxes which the employer was required to withhold to the extent that the income taxes have not been recovered from the employee. The failure or omission of any employer to make the deductions required by this Article IV shall not relieve any employee from the payment of the income tax or from complying with the requirements for filing of declaration and returns.

(b) **Program Criteria.** The criteria that must be met to qualify for credits under the Volunteer Service Credit Program in any given calendar year shall be the same criteria for a

volunteer to maintain membership with an Eligible Entity during that calendar year, as set forth in the by-laws or other duly-adopted written documents of the Eligible Entity, so long as such criteria include minimum standards relating to each of the following matters:

- (1) The number of emergency response calls to which a volunteer responds.
- (2) The level of training and participation in formal training and drills for a volunteer.
- (3) The total amount of time expended by a volunteer on administrative and other support services, including but not limited to:

- (4) Involvement in other events or projects that aid the financial viability, emergency response or operational readiness of a volunteer fire company.

If the criteria established by the Eligible Entity for membership during any given calendar year do not include minimum standards for all four matters listed above, then Council shall establish, by resolution, the criteria that must be met to qualify for credits under the Volunteer Service Credit Program for that year, which must include, but need not be limited to, minimum standards for each of the four matters listed above.

(c) Recordkeeping. The Chief of each Eligible Entity shall keep specific records of each volunteer's activities for the Eligible Entity in a given calendar year in a service log to establish credits under the Volunteer Service Credit Program for that year. Such service logs shall be subject to review by the Borough Council, the State Fire Commissioner, and the State Auditor General. For each calendar year of the Volunteer Service Credit Program, the Chief shall transmit to the Borough a notarized eligibility list of all volunteers that have met the minimum criteria for the Volunteer Service Credit Program for that calendar year by no later than January 31 of the succeeding calendar year. In order to qualify for credits under the Volunteer Service Credit Program after an injury, the injury must have occurred while the emergency responder was responding to, participating in, or returning from an emergency response call with an Eligible Entity. Such credits may only be awarded to the extent that the particular injury prevented the emergency responder from performing duties to qualify as an

active volunteer for a given calendar year, and may only be awarded with respect to any particular injury for a maximum of five (5) consecutive calendar years. The injured emergency responder shall be deemed an Active Volunteer for those calendar years he/she is entitled to credits in the Volunteer Service Credit Program under this subsection (e).

(3) Application. A person who is entitled to credits under the Volunteer Service Credit Program for a given calendar year under paragraph (2) above shall sign and submit an application for certification to his/her Chief, together with documentation from a licensed physician stating that the person's injury prevented him/her from performing duties to qualify as an active volunteer for that year. (Physician documentation may not be dated earlier than July 1 of the given calendar year. Separate documentation must be provided for each calendar year.) The Chief and another officer of the Eligible Entity shall sign the application if the applicant was injured while responding to, participating in, or returning from an emergency response call with an Eligible Entity, and shall forward the application and physician documentation to the Borough Manager by no later than April 1st of the succeeding calendar year. Applications for any given calendar year shall not be accepted by the Borough after April 1st of the succeeding calendar year.

(b) Claim. A person with a tax credit certificate under § 80-422(f) for a given calendar year may file a claim for the tax credit on his/her Earned Income Tax liability when filing a final return for that year with the tax officer for the Lehigh Tax Collection District.

(b) Procedures. All appeals under this section shall be governed by the Local Taxpayer Bill of Right Act, 53 PA. CONS. STAT. §§ 8421-8438, and Alburdis Codified Ordinances Chapter 87 (relating to Taxpayer Bill of Rights).

§ 80-508 Actions for Collection of Income Taxes.

The tax officer may file an action in the name of the Borough for the recovery of income taxes due to the Borough and unpaid. Nothing in this section shall affect the authority of the Borough to file an action in its own name for collection of income taxes under this Chapter. This section shall not be construed to limit a tax officer, a tax collection district, or the Borough from recovering delinquent income taxes by any other means provided by this Chapter. Actions for collection of income taxes shall be subject to the following:

(a) Except as set forth in subsections (b) or (d), an action brought to recover income taxes must be commenced within three years of the *later* of the date:

STAT. ANN. § 806, on the amount of the income tax, and an additional penalty of 1% of the amount of the unpaid income tax for each month or fraction of a month during which the income tax remains unpaid shall be added and collected, but the amount shall not exceed 15% in the aggregate. Where an action is brought for the recovery of the income tax, the taxpayer liable for the income tax shall, in addition, be liable for the costs of collection, interest, and penalties.

(b) The Department may establish conditions under which a tax officer, with the concurrence of the tax collection committee, may abate interest or penalties that would otherwise be imposed for the nonreporting or underreporting of income tax liabilities or for the nonpayment of income taxes previously imposed and due if the taxpayer voluntarily files delinquent returns and pays the income taxes in full.

No proceedings shall, however, be commenced on the basis of delinquent returns filed pursuant to § 80-508 if the returns are determined to be substantially true and correct and the income taxes are paid in full within the prescribed time.

(a) Any taxpayer who fails, neglects or refuses to make any declaration or return required by this Chapter, any employer who fails, neglects, or refuses to register, keep or supply records or returns required by section 512 of the LTEA, 53 PA. STAT. ANN. § 6924.512, or to pay the income tax deducted from employees, or fails, neglects, or refuses to deduct or withhold the income tax from employees, any taxpayer or employer who refuses to permit the tax officer appointed by a tax collection committee or an employee or agent of the tax officer to examine books, records, and papers, and any taxpayer or employer who knowingly makes any incomplete, false, or fraudulent return, or attempts to do anything whatsoever to avoid the full disclosure of the amount of income in order to avoid the payment of income taxes shall, upon conviction thereof, be sentenced to pay a fine of not more than \$2,500 for each offense and reasonable costs, and in default of payment of said fine and costs, to imprisonment for not more than six months.

(b) Any employer required under this Chapter to collect, account for, and distribute income taxes who willfully fails to collect or truthfully account for and distribute income taxes, commits a misdemeanor and shall, upon conviction, be sentenced to pay a fine not exceeding \$25,000 or to imprisonment not exceeding two years, or both.

(c) The penalties imposed under this section shall be in addition to any other costs and penalties imposed by this Chapter.

§ 80-511 Costs.

The tax officer shall be entitled to impose and collect the reasonable costs incurred to provide notices of delinquency or to implement similar procedures utilized to collect delinquent taxes from a taxpayer as approved by the tax collection committee. Reasonable costs collected may be retained by the tax officer. An itemized accounting of all costs collected shall be remitted to the tax collection committee on an annual basis.

§ 80-512 Appeals and Tax Officer Actions.

A determination of the tax officer relating to the assessment, collection, refund, withholding, remittance, or distribution of income taxes may be appealed to the appeals board established by the tax collection committee by a taxpayer, employer, political subdivision, or another tax collection district pursuant to the provisions of section 505(j) of the LTEA, 53 PA. STAT. ANN. § 6924.505(j). Pursuant to section 505(k) of the LTEA, 53 Pa. Stat. Ann. § 6924.505(k), any dispute among the affected parties involving a 10% or greater deviation from taxes received in the previous tax year shall be subject to mandatory mediation in accordance with regulations and guidelines adopted by the Department. imprisonment for not more than one year, or both. If the offender is a member of the tax collection committee, the member shall be removed from the tax collection committee. If the offender is an employee of a tax collection committee or the Borough, the employee shall be discharged from employment. The offender shall pay the costs of prosecution.

§ 80-514 Compensation of Tax Officer.

The tax officer shall receive such compensation for his services and expenses as determined by the tax collection committee. At the discretion of the tax collection committee, the tax officer may be permitted to withhold the amount of the tax officer's compensation from income taxes collected if the monthly reports required by section 509(b) of the LTEA, 53 PA. STAT. ANN. § 6924.509(b), submitted by the tax officer include an accounting for all compensation withheld.

Article VI — Miscellaneous

§ 80-601 Applicability.
